

Reminder: Get Ready for Benefits Bill Pay

Dear Friend:

This is a reminder that, beginning in October, Church Pension Group (CPG) will be transitioning to Benefits Bill Pay, a new, streamlined way to manage your benefit invoices online. Benefits Bill Pay is a new feature that is being added to [MyCPG Accounts](#), CPG’s client self-service portal. You will be able to view and pay your pension and/or group health invoices online using a debit card or by e-check and view your payment history.

We will no longer mail paper invoices or accept paper checks after October 2025.

What You Need to Do Now

If you do not have a MyCPG Account or if it is not set up with a **personal** email address, you will not receive notifications about your benefit bills, which could cause you to fall behind on your payments.

- **If you are already set up in MyCPG Accounts**
 - Make sure your account is up to date with a **personal** email address on file.
- **If you are not set up in MyCPG Accounts**
 - Go to [cpg.org/mycpg](#), select “CreateAccount,” and follow the prompts. Setting up an account takes just a few minutes.

When Benefits Bill Pay goes live in October, you will begin to receive email notifications that your benefit invoice(s) is ready to view and pay online in MyCPG Accounts.

Need help creating your MyCPG Account? Please call Client Services at 866-802-6333. Our team is standing by to help you set up an account and answer any questions about Benefits Bill Pay.

Sincerely,

The Church Pension Group
