

Dear Friend:

I hope this finds you well. We are excited to introduce a new way of managing your Church Insurance needs through the Church Pension Group's My Admin Portal (MAP). It's a quick, convenient, and safe way to handle your policies, bills, and claims. This new, easy-to-use, secure online service will provide these expanded benefits:

**Access new and improved policy forms**

- Easier to read and understand
- Effortlessly locate and print
- Real-time policy details and history

**View and pay your bills online**

- Payment status and history
- Detailed invoices
- Ability to set up recurring payments

**Submit, update, and track claims 24/7**

- Expedited ACH payment of your claims
- Forms for auto and workers' compensation claims

We plan to roll out these new MAP features, **beginning with policies that renew July 2025**. As your policy comes up for renewal, please look out for a letter or email that will include your unique client login ID number, along with detailed instructions about how to access MAP and start enjoying these new features.
