The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.cpg.org/mtdocs or call (800) 480-9967. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cpg.org/uniform-glossary or call (800) 480-9967 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	Network: **$1,000** Individual / **$2,000** Family Out-of-Network: **$2,000** Individual / **$4,000** Family	Generally, you must pay all of the costs from **providers** up to the **deductible** amount before this **plan** begins to pay. If you have other family members on the **plan**, each family member must meet their own individual **deductible** until the total amount of **deductible** expenses paid by all family members meets the overall family deductible. The network and out-of-network **deductibles** accumulate separately.
Are there services covered before you meet your deductible?	Yes, for example, network preventive care, emergency room care, urgent care, and certain telehealth services.	This **plan** covers some items and services even if you haven't yet met the **deductible** amount. But a **copayment** or **coinsurance** may apply. For example, this **plan** covers certain **preventive services** without **cost sharing** and before you meet your **deductible**. See a list of preventive services at healthcare.gov/coverage/preventive-care-benefits.**
Are there other deductibles for specific services?	No.	You don't have to meet **deductibles** for specific services.
What is the out-of-pocket limit for this plan?	Network: **$3,500** Individual / **$7,000** Family Out-of-Network: **$7,000** Individual / **$14,000** Family	The **out-of-pocket limit** is the most you could pay in a year for covered services. If you have other family members in this **plan**, they have to meet their own **out-of-pocket limits** until the overall family **out-of-pocket limit** has been met. The network and out-of-network **out-of-pocket limits** accumulate separately.
What is not included in the out-of-pocket limit?	Contributions, (**premiums**), **balance-billing** charges, penalties, **copays** for certain specialty pharmacy drugs considered non-essential health benefits and healthcare this **plan** doesn't cover.	Even though you pay these expenses, they don't count toward the **out-of-pocket limit**.
Will you pay less if you use a network provider?	Yes. See www.anthem.com or call (844) 812-9207 for a list of **network providers**.	This **plan** uses a provider **network**. You will pay less if you use a **provider** in the plan's **network**. You will pay the most if you use an **out-of-network provider**, and you might receive a bill from a **provider** for the difference between the provider's charge and what your **plan** pays (**balance billing**). Be aware, your **network provider** might use an **out-of-network provider** for some services (such as lab work). Check with your **provider** before you get services.
Do you need a referral to see a specialist?	No.	You can see the **specialist** you choose without a **referral**.

* For more information about limitations and exceptions, see the plan or policy document at www.cpg.org.

**See Page 5 for important information about telehealth services.

All **copayment** and **coinsurance** costs shown in this chart are after your **deductible** has been met, if a **deductible** applies.

Telehealth Services: The Medical Trust will waive all copays, deductibles, and coinsurance for all telehealth services received through its third-party administrators' telehealth platforms. The Medical Trust will also allow claims for virtual visits with network and out-of-network providers who do not use a telehealth platform offered by Anthem Blue Cross and Blue Shield, but standard deductibles, copays, and coinsurance will apply.

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements[3]. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your plan for a denial of a claim. This complaint is called a grievance or appeal. For more information about your rights, look at the explanation of benefits you will receive for that medical claim. Your plan documents also provide complete information on how to submit a claim, appeal, or a grievance for any reason to your plan. For more information about your rights, this notice, or assistance, contact Anthem Blue Cross and Blue Shield or Express Scripts, as appropriate.
