

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. NOTE: Information about the cost of this plan (called the premium) will be provided separately. This is only a summary. For more information about your coverage, or to get a copy of the complete terms of coverage, visit www.cpg.org/mtdocs or call (800) 480-9967. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. You can view the Glossary at www.cpg.org/uniform-glossary or call (800) 480-9967 to request a copy.

Important Questions	Answers	Why This Matters:
What is the overall deductible?	<u>Network</u> : \$3,500 Individual / \$7,000 Family <u>Out-of-Network</u> : \$7,000 Individual / \$14,000 Family	Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family deductible. The network and out-of-network <u>deductibles</u> accumulate separately.
Are there services covered before you meet your <u>deductible</u> ?	Yes, for example, certain COVID- 19 expenses.	This <u>plan</u> covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. See a list of preventive services at healthcare.gov/coverage/preventive-care-benefits.**
Are there other <u>deductibles</u> for specific services?	No.	You don't have to meet deductibles for specific services.
What is the <u>out-of-pocket</u> limit for this <u>plan</u> ?	<u>Network</u> : \$6,000 Individual / \$12,000 Family <u>Out-of-Network</u> : \$10,000 Individual / \$20,000 Family	The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met. The network and out-of-network <u>out-of-pocket limits</u> accumulate separately.
What is not included in the <u>out-of-pocket limit</u> ?	Contributions, (premiums), balance-billing charges, penalties, and healthcare this plan doesn't cover.	Even though you pay these expenses, they don't count toward the out-of-pocket limit.
Will you pay less if you use a <u>network provider</u> ?	Yes. See <u>www.anthem.com</u> or call (844) 812-9207 for a list of <u>network</u> <u>providers</u> .	This <u>plan</u> uses a provider <u>network</u> . You will pay less if you use a <u>provider</u> in the plan's <u>network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the provider's charge and what your <u>plan</u> pays (<u>balance</u> <u>billing</u>). Be aware, your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services.
Do you need a <u>referral</u> to see a <u>specialist</u> ?	No.	You can see the <u>specialist</u> you choose without a <u>referral</u> .

All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies. Â

COVID-19 Evaluation, Testing and Treatment, and Telehealth Services: The Medical Trust will waive all copays, deductibles, and coinsurance for its members for healthcare services relating to the evaluation and testing for COVID-19. In addition, the Medical Trust will waive all copays, deductibles, and in-network coinsurance for its active members for healthcare services relating to the treatment of COVID-19. The Medical Trust will also waive all copays and coinsurance after deductible for all telehealth services received through its third-party administrators' telehealth platforms. The Medical Trust will also allow claims for virtual visits with network and out-of-network providers who do not use a telehealth platform offered by Anthem Blue Cross and Blue Shield, but standard deductibles, copays, and coinsurance will apply.

Your Rights to Continue Coverage: The Plan's Extension of Benefits program is similar, but not identical, to the healthcare continuation coverage provided under Federal law (known as COBRA) for non-church plans. Because the Plan is a church plan as described under Section 3(33) of ERISA, the Plan is exempt from COBRA requirements³. Nonetheless, subscribers and/or their enrolled dependents will have the opportunity to continue benefits for a limited time in certain instances when coverage through the health plan would otherwise cease. Individuals who elect to continue coverage must pay for the coverage. Call (800) 480-9967 for more information.

Your Grievance and Appeals Rights: There are agencies that can help if you have a complaint against your <u>plan</u> for a denial of a <u>claim</u>. This complaint is called a <u>grievance</u> or <u>appeal</u>. For more information about your rights, look at the explanation of benefits you will receive for that medical <u>claim</u>. Your <u>plan</u> documents also provide complete information on how to submit a <u>claim</u>, <u>appeal</u>, or a <u>grievance</u> for any reason to your <u>plan</u>. For more information about your rights, this notice, or assistance, contact Anthem Blue Cross and Blue Shield or Express Scripts, as appropriate.
