Quantum Health - HEALTHCARE SIMPLIFIED

The Episcopal Church Medical Trust has been working with Quantum Health to improve your experience of healthcare and connect you with the resources you need to access your health benefits. Quantum will also put you in touch with a Cariloop Care Coach. Cariloop partners with Quantum to support retirees and caregivers throughout the healthcare journey.

Cariloop's Care Coaches are doctors, nurses, social workers, occupational therapists, certified dementia practitioners, and other professionals well-versed in our plans and in Medicare. They can help

- schedule appointments & transfer records
- resolve insurance and billing issues
- navigate diagnoses like cancer and Alzheimer's
- find the right nursing home
- initiate an appeals process
- obtain preauthorizations
- estimate and compare care costs
- make treatment decisions
- craft an advanced directive
- maneuver through Medicare

Plus, Quantum Health can assist with EyeMed vision benefits and connect you with the Employee Assistance Program.
