GOES HERE**

The Episcopal Church Medical Trust (Medical Trust) has been working with Quantum Health to improve your experience of the healthcare system and help you access medical, prescription, vision, and behavioral health benefits and the services of the Employee Assistance Program (EAP). Because they understand the coverage available through the Medical Trust, Quantum Health Care Coordinators can offer you expert guidance and personalized support.

Care Coordinators may call you if:

- You could save on your out-of-pocket costs
- There is a concern with your prescriptions
- You qualify for a coaching program
- They need to follow up on a procedure or discharge

About your new card:

Share your medical ID card with your physicians, pharmacy, and medical facilities. For questions and concerns, you and your providers can call the Quantum Health number on the back of the card.
