Reflections from The Very Rev. George Werner

Dean Emeritus of Trinity Cathedral, The Very Rev. George Werner is a former Church Pension Fund trustee and the 31st President of the House of Deputies. He has seen and done a lot in the Church, and he notes what the Church Pension Group (CPG) was like in the 1970s and how it continues to be aligned with the interests, values, and beliefs of the broader Church.

He understands how many people rely on the benefits they receive. He is grateful that after long, deeply rewarding careers, many of his colleagues are able to serve as supply clergy after retirement thanks in part to the benefits they have.

Hear his reflection on the great life he has had in the Church and the retirement he is enjoying, thanks to CPG, at www.cpg.org/Werner.
