Church Life annuities do more than help you earn money. They help you access it when you need it most.

There are benefits to having a Church Life annuity beyond the money you'll make. In life's most urgent circumstances, you may be able to access as much of your account balance as you need without paying surrender charges.

Nursing Home Waiver benefit

If your age and health ever require that you enter a licensed nursing home facility,* you may be able to receive up to 100% of the accumulation value of your annuity without paying any surrender charges.**

Terminal Illness Waiver benefit

If you are ever diagnosed with a terminal illness that would result in your death within a year from the date you were diagnosed, you may receive up to 100% of the accumulation value of your annuity without paying any surrender charges.**
