CHURCH PENSION GROUP CONVENES A NEW CLIENT COUNCIL

NEW YORK, NY—March 30, 2022—<u>The Church Pension Group</u> (CPG), a financial services organization that serves The Episcopal Church, announced that it has assembled a new class of Client Council (Council) members to provide candid feedback on its programs, products, and services. The 38-member <u>Council</u>, which will serve through 2024, consists of lay administrators and Church leaders, bishops, priests, deacons, and retired clergy from within and outside the United States.

"We are pleased to convene this new Client Council. Their fresh perspectives and diverse experiences will help us focus on areas of opportunity," said Frank Armstrong, Chief Operating Officer of CPG. "Prior Client Councils have been invaluable to our decision-making efforts. Their insights have helped us to enhance our current offerings and at times develop new products and programs that address the changing needs of our clients. They have been supportive of our efforts to communicate the expected benefits of these offerings and our conversations have always been robust, direct, and honest. We look forward to learning from another group of Council members."

The Council meets as a full group annually, convening in smaller groups as needed, to help CPG vet new policies, programs, and practices.
