**CHURCH PENSION GROUP TO HOST CONVERSATION ON
QUANTUM HEALTH, ITS HEALTHCARE NAVIGATION OFFERING**

*Chief Operating Officer Frank Armstrong to
Provide Update and Answer Questions*

NEW YORK, NY—July 21, 2025—[The Church Pension Group](#) (CPG), an employee benefits, property and casualty insurance, and publishing organization that serves The Episcopal Church, announced that it will host a virtual conversation on its recent transition to [Quantum Health](#) (Quantum), a leading healthcare navigation provider. The webinar is open to members of The Episcopal Church Medical Trust (Medical Trust) and other stakeholders in The Episcopal Church, and will occur on Monday, July 28, 2025, from 3:00 PM to 4:00 PM ET.

The conversation will be hosted by CPG's Chief Operating Officer, [Frank Armstrong](#), who oversees all lines of business and client services for CPG. Medical Trust members and stakeholders can register at [cpg.org/Quantum](#) and submit questions in advance at corpcomm@cpg.org.

In January, CPG introduced Quantum, a healthcare navigation program that serves as a single point of contact for Anthem and Cigna members of the Medical Trust. Quantum was put in place to assist members in navigating the complexities of healthcare and achieving better healthcare outcomes in various ways.

"Since January, Quantum has been helping Medical Trust members successfully maximize benefits, make more informed treatment decisions, and achieve better health outcomes, and we believe it has greater potential," said Mr. Armstrong. "However, the transition has not gone as smoothly as we would have liked, due in large part to administrative challenges with third-party claims administrators. We have received feedback from some members that I want to address directly. I also want to hear more from our clients on their experiences now that we are several months into the transition."

For more information on the Quantum transition, please view CPG's 2025 Annual Report (cpg.org/AnnualReport2025) and the 2024 Denominational Health Plan Annual Report (cpg.org/DHP).
