As the calendar turns, it's worth pausing to reflect.

Are you tracking your progress? Now's a good time to check in.

Ask yourself:

- Does my current contribution rate still align with my goals?
- Could a small increase help me get closer to where I want to be?

Take the next step toward the future you want. A quick review, and just a small boost to your contributions, can help you stay in control of your goals and

keep your momentum strong. And don't forget to celebrate how far you've come this year; every contribution adds to your savings!
