[Join us](#) for an engaging and timely conversation designed for those who serve and lead across the Church.

This one-hour webinar brings together a distinguished panel of contemporary Episcopal theologians—**Scott MacDougall, Kara Slade, Olufemi Gonsalves, and Kelli Joyce**—together with moderator **Robert MacSwain**. Inspired by the publication of [Wisdom, Knowledge, and Faith: New Essays on the Future of Theology and The Episcopal Church](#), this special discussion will explore emerging trends, enduring values, and innovative approaches within theological education today.

**During this conversation, you'll discover:**

- new perspectives on the future of theology,
- innovative approaches to theological education, and
- how wisdom, knowledge, and faith can guide our priorities as ministry continues to adapt and respond to new realities.
