

2027 Annual Enrollment-Updates

What's New for 2027 Annual Enrollment

Dear Member:

UnitedHealthcare® Update

Over the course of many months, the Medical Trust conducted a full market analysis to ensure that we continue to offer retiree health plans that provide high-quality, affordable, and sustainable coverage—especially in light of the concerns you have raised about UnitedHealthcare®. After comparing current plans to options from other carriers, we decided to continue offering benefits through UnitedHealthcare® (UHC).

By staying with UHC, we will still be offering plans with strong overall value that cause fewer disruptions to the provider networks and covered medications used by retirees than the other plans reviewed. In addition, UHC is working to make healthcare easier by removing prior authorization requirements for some services that previously required it and has committed to greater transparency and better engagement with retirees.

Separate Medical and Rx Plans

To help manage costs, we are separating our current offering from a single plan that includes both medical and prescription drug coverage into two separate plans. Beginning on January 1, 2027, the UnitedHealthcare® Group Medicare Advantage (MA) PPO Plan will provide medical coverage, and a new standalone UnitedHealthcare® MedicareRx for Groups Plan (PDP) will provide prescription drug coverage—the same coverage that you have today.

If you would like to make any changes for 2027, please review the communications UHC will send you about your available options:

- MA Comprehensive PPO/PDP Comprehensive
- MA Premium PPO/PDP Premium

These plans are offered as matching pairs. If you enroll in the MA Comprehensive PPO plan, you will be automatically enrolled in the Comprehensive PDP. Likewise, if you enroll in the MA Premium PPO plan, you will be automatically enrolled in the Premium PDP.

In mid-December, you will receive two new ID cards—one for your MA plan and one for your PDP plan. Please begin using them on January 1, 2027, and be sure to bring them both to your pharmacy.

Cariloop

Also as of January 1, 2027, retirees **will no longer call Quantum** but will contact Cariloop directly at 972-325-5836, Monday to Friday, 8:00 AM to 6:00 PM

CT.

What Stays the Same

Please note that your EyeMed vision and Cigna EAP benefits remain unchanged.

Church Pension Group Services Corporation ("CPGSC"), doing business as The Episcopal Church Medical Trust, maintains a series of health and welfare plans (the "Plans") for eligible employees (and their eligible dependents) of the Episcopal Church (the "Church"). The Medical Trust serves only eligible Episcopal employers. The Plans that are self-funded are funded by the Episcopal Church Clergy and Employees' Benefit Trust, a voluntary employees' beneficiary association within the meaning of section 501(c)(9) of the Internal Revenue Code.

The Plans are church plans within the meaning of section 3(33) of the Employee Retirement Income Security Act of 1974, as amended, and section 414(e) of the Internal Revenue Code. Not all Plans are available in all areas of the United States or outside the United States, and not all Plans are available on both a self-funded and fully insured basis. Additionally, the Plan may be exempt from federal and state laws that may otherwise apply to health insurance arrangements. The Plans do not cover all healthcare expenses, so members should read the official Plan documents carefully to determine which benefits are covered, as well as any applicable exclusions, limitations, and procedures.
