## Introduction

The Church Pension Group and the Nathan Network are pleased to provide these *Model Policies for the Prevention of Sexual Exploitation of Adults* in the Episcopal Church. The Nathan Network is a non profit organization dedicated to serving the Episcopal Church by providing support for those engaged in preventing and/or responding to sexual misconduct through training and empowerment, education, spiritual support, resources, and networking.

The policies contained herein offer guidance for dioceses and congregations as they seek to establish and maintain standards for their clergy, employees and lay people in order to keep all church members safe. Such standards are essential for establishing parameters of propriety to guide the Church in its work.

## History of Model Policies for the Prevention of Sexual Exploitation of Adults

In 1991, General Convention passed Resolution B052 (see Appendix H) in which it declared that sexual abuse, exploitation, coercion, and harassment of adults and minors by clergy and church employees are abuses of trust, a violation of the Baptismal Covenant, contrary to Christian Character, and are therefore wrong.

In 1999, the Committee on Sexual Exploitation (COSE), also created by General Convention in 1991, conducted a survey of 100% of the domestic dioceses on how dioceses were dealing with issues of sexual misconduct. COSE gathered and reviewed sexual misconduct policies from 70 dioceses with the intention of circulating as model policies those that incorporated and reflected current best practices based on the Church's experience in the area of sexual misconduct during the 1990's. COSE concluded that none of the policies gathered were truly state-of-the-art policies that could serve as a model for dioceses who wanted to update their current policies. In response to this need, the Church Pension Group, in partnership with The Nathan Network, introduced *Model Policies for the Protection of Children and Youth from Abuse* in 2004.

The 2006 General Convention, in response to proposals from its Task Force on Institutional Wellness and the Prevention of Sexual Misconduct (the successor to COSE), adopted Resolution A156 (See Appendix I). Every diocese is now required to adopt policies to protect adults from sexual exploitation and church workers from sexual harassment. The resolution also requires dioceses to assist congregations in developing such policies. The Church Pension Group and The Nathan Network developed these *Model Policies* for that purpose.

## Adapting the “Model” Policies

These are “model” policies. You should adapt this material in accordance with your applicable diocesan polity, practices, canons, and state laws. It is intended and expected that local adaptations, changes, amplifications, improvements, expansions, or other types of revisions will be made to this model policy to accommodate your unique circumstances and context. For example, you may want to develop a statement to put your policies in a theological context.

It is very important that the policies you adopt and implement comply with state laws and regulations governing pastoral relationships or relationships between adults of unequal power, such as doctor/patient or therapist/client. Several states expressly prohibit clergy from developing exploitative relationships with members of their congregations or with other adults over whom they have influence by virtue of their position or role.

All laws are subject to change from time to time by action of state legislatures, Congress, and state and federal courts. Therefore, you should develop and review your policy with assistance from persons knowledgeable in these laws.

## **Acknowledgments**

The principal authors of these Model Policies are Sally Johnson, Esq., Vice-President of Risk Management and Education for the Church Pension Group, and Jane Hickerson, Ph.D., Vice-President of Training and Development for Praesidium, Inc.

## **Disclaimer**

The Church Pension Group, Praesidium, Inc., and The Nathan Network provide these *Model Policies for the Prevention of Sexual Exploitation of Adults* in the hope that it will assist dioceses, congregations, other Episcopal entities and other groups in developing policies for the prevention of and response to sexual exploitation of adults. These *Model Policies* do not cover every issue that you may want to consider in the development of such policies. Nor do they necessarily reflect the law of each and every state.

The Church Pension Group, Praesidium, Inc., and The Nathan Network are not engaged in giving legal or other professional advice or services by providing these *Model Policies*. You are encouraged to consult with your own legal counsel and other professional advisors regarding efforts for the prevention of and response to concerns about sexual exploitation.

## **Sample Forms**

The Appendices contain sample forms. It is important that any personnel policies and/or forms be carefully considered, developed and revised to fit the needs of each organization and reviewed in light of each state's unique laws. These sample forms are provided strictly as a convenient reference and starting point to help Episcopal organizations in the development of policies and/or forms on the covered subjects, as desired.

## **Distribution and Copying**

Copies of *Model Policies for the Prevention of Sexual Exploitation of Adults* can be obtained from the Church Pension Group on its website at [www.cpg.org](http://www.cpg.org).

Commercial use of *Model Policies for the Prevention of Sexual Exploitation of Adults* is strictly prohibited.

# Sexual Exploitation Policy

## Prohibition Against Sexual Exploitation

A Pastoral Relationship is a relationship:

Between any clergy person and any person:

Sexual exploitation includes but is not limited to the following actions:

1. Verbal: such as sexual innuendo, indecent proposals, sharing sexual stories, jokes or fantasies, or making inappropriate comments about someone's appearance.
2. Behaviors: such as inappropriate touching, sending or posting communications with sexual content (correspondence, email, text messages, instant messages, photographs, attachments, phone conversations, voice mail, etc.)
3. Sexualizing a Pastoral Relationship or relationship between a clergy or lay person and anyone to whom he or she provides ministry (e.g., requesting dates, giving unwanted attention, etc.).

## Reporting Suspected Sexual Exploitation

If you believe that you or someone else has been subjected to sexual exploitation, actions that violate this policy or inappropriate behavior, you may make your concerns known to the offending person if you are comfortable doing so, or you may report your concerns in accordance with the following:

Reports of suspected or known sexual exploitation may be reported to:

- the rector or clergy person in charge of the congregation
- the Senior Warden of the congregation
- The bishop [or other designated person in the diocese]
- [Designate another person by name, title or role] (e.g. Canon to the Ordinary, Safe Church Coordinator)

Via any of the following:

- Telephone call

- Email
- Fax
- In-person meeting
- Filing a “Notice of Concern” and/or
- Online (e.g., Church or Diocesan Website)

# Safeguards for Preventing Sexual Exploitation of Adults

## A. Screening and Selection

Any and all Persons Who Have Pastoral Relationships shall be screened and selected using the following tools and procedures:

Persons Who Have Pastoral Relationships shall be screened before engaging in Pastoral Relationships.

1. Applicants shall be known to the leadership of the congregation for at least six (6) months to a year.
2. Background Screening
  - a. An **Application** form [or church deployment form] completed by the applicant that includes an authorization for the release of information to conduct background screening and reference checks (See Appendix A) and that also includes the **Code of Conduct** (Appendix F).
  - b. **Criminal Records Check** for people who will be working with vulnerable adults in the home of the vulnerable adult in any state where the applicant has resided during the past seven (7) years, and other states, if any, as determined by the congregation or diocese.
  - c. **Sexual Offender Registry Check** in any state where the applicant has resided during the past seven (7) years.
  - d. **Individual Interview** with the applicant.
  - e. **Reference Checks** of applicants should include at least one relative outside the congregation and at least one other person outside the congregation.
3. All information gathered about an applicant will be carefully reviewed and evaluated to make a determination, in consultation with others as necessary, of whether or not the person is appropriate to engage in Pastoral Relationships.
4. Persons Who Have Pastoral Relationships must have a personnel file that is kept where other church records are kept.
5. Criminal records checks and sexual offender registry checks will be conducted every five (5) years on Persons Who Have Pastoral Relationships.
6. Persons Who Have Pastoral Relationships who transfer within the Diocese of \_\_\_\_\_ and apply for or are asked to or who do undertake a position in which they have Pastoral Relationships are required to undergo the same screening and selection process specified above. This requirement may be met through a transfer of a copy of their personnel file to the new congregation, school, agency, or program together with completion of a new application, individual interview and reference checks with the congregations, schools, agencies or other programs for which the applicant has had Pastoral Relationships since the screening was last done as shown in the applicant's personnel file.

## **B. Education and Training Requirements**

### **Persons Who Have Pastoral Relationships**

Before any person engages in Pastoral Relationships s/he is required to complete training on the prevention of sexual exploitation of adults. If that is not possible, this policy must be reviewed and discussed with her/him before s/he has Pastoral Relationships. The rest of the education and training must be completed within three months of beginning to have Pastoral Relationships.

### **Supervisors and Decision-Makers of Persons Who Have Pastoral Relationships**

Within three months of becoming a Supervisor or Decision-Maker, individuals must complete training on the prevention of sexual exploitation of adults.

## **C. Activities for Monitoring and Supervising Pastoral Relationships**

The monitoring and supervision of programs and activities involving Pastoral Relationships is important for safeguarding adults from sexual exploitation. Monitoring and supervision should include, but are not limited to:

1. Maintaining an up to date list of approved Persons Who Have Pastoral Relationships in the church office or other place where church records are kept.
2. Requiring that all new activities that include Pastoral Relationships have the approval of the rector or canonical equivalent before they start. Requests to develop new activities should be submitted in writing to the rector. The rector will consider whether the plan for a new activity includes adequate monitoring and supervision.
3. Requiring that all Persons Who Have Pastoral Relationships be approved to do so by the rector or canonical equivalent in accordance with the Screening and Selection process above.
4. Settings where Pastoral Relationships take place:
  - should, whenever possible, be places where casual monitoring by others is convenient (for example along well-traveled hallways or in areas where other Church Personnel work nearby)
  - in open, visible spaces or in closed spaces that have windows that remain unobstructed by closed blinds, furniture, plants, or other adornments
  - should convey safety and comfort without the use of couches, loveseats, beds, futons or other furniture that would encourage close seating between the persons in the Pastoral Relationship

## D. Behavioral Guidelines for the Prevention of Sexual Exploitation of Adults

When creating safe boundaries for Persons Who Have Pastoral Relationships, it is important to establish what types of interactions are appropriate and inappropriate. Stating which behaviors are appropriate and inappropriate allows Church Personnel to comfortably show positive affection in ministry, and yet identify individuals who are not maintaining safe boundaries with other adults.

These Guidelines are:

- based, in large part, on avoiding behaviors known to be used by those who have engaged in sexual exploitation of adults
- intended to assist Church Personnel and Congregants in monitoring and supervising behaviors and interactions of Persons Who Have Pastoral Relationships to help maintain appropriate boundaries at all times
- intended to be used to make decisions about interactions of Persons Who Have Pastoral Relationships with those with whom they have a Pastoral Relationship
- to be carefully followed by all who are involved in Pastoral Relationships

Some **appropriate** interactions, as long as they are welcomed by the recipient, are listed below:

- brief hugs
- pats on the shoulder or back
- kisses on the cheek
- handshakes
- holding hands during prayer

Some **inappropriate** interactions in Pastoral Relationships and other ministries with adults include:

- inappropriate or lengthy embraces
- kisses on the mouth
- touching sexual areas of the body
- showing affection while in isolated areas such as bedrooms, closets, staff-only areas or other private rooms
- any form of unwanted affection
- comments or compliments (spoken, written, or electronic) that relate to a person's body or appearance that are at all suggestive. Examples would be, "You should wear that outfit more often," or "You look really hot in those jeans."
- giving gifts or money to favored individuals
- repeated and/or private meetings with individual adults, especially meetings that occur away from church property and during non-business hours
- repeated electronic communications, such as email or texts, especially those that contain personal disclosures or solicitations of an intimate relationship
- seeking excessive private time with a specific adult
- changing one's manner of dress when in the company of a specific adult
- providing a specific adult with personal access such as one's personal email address or cell phone number if that is not the norm

## B. Specialized Questions for the Interview

The following are sample questions that may help you screen out someone who is unable to maintain healthy boundaries with adults.

1. Please tell me about the last time a member of your (congregation, youth group, office staff, etc.) demanded too much of your time. How did you handle that?
2. Please give an example of a time in your work or volunteer history when you thought the policies were too rigid. How did you handle that?
3. Please describe a time when you felt a special bond or friendship between yourself and a member of your (congregation, youth group, office staff, etc.).
4. Please give an example of a “boundary violation.” Has that ever happened to you, or has anyone ever said that you violated a boundary of some sort?
5. Has disciplinary action of any sort ever been taken against you by a licensing board, professional association, ecclesiastical body or educational or training institution? Have there been complaints against you that did not result in discipline? Are there complaints pending against you before any of the above-named bodies? If yes, please explain.
6. Have you ever been asked to resign or been terminated by a training program or employer? If yes, please explain.
7. Have you ever had a civil suit brought against you about your professional work or is any such action pending? Have you ever had professional malpractice insurance suspended or revoked for any reason? If yes, please explain.
8. Have you ever been charged (formally or informally) with any ethics violations, sexual exploitation, sexual abuse or sexual harassment? Are any such actions or complaints pending against you? If yes, please explain.

If yes, please explain.
10. Are you now or have you ever been involved in the production, sale, or distribution of pornographic materials? If yes, please explain.
11. Have you ever had a restraining order, injunction, order for protection or the like issued against you? Have you ever had your parental rights restricted, suspended or terminated or have any of your children ever been in foster care? Have you ever been accused of domestic violence? If so, please explain.

## **C. Specialized Questions for References**

1. Please give me an example of how \_\_\_\_\_ maintains good boundaries with adults.
2. Have you ever heard \_\_\_\_\_ tell a joke or say something that made you or others uncomfortable?
3. Would you be comfortable referring a vulnerable friend of yours to \_\_\_\_\_ for pastoral counseling? Why? Why not?
4. The position for which \_\_\_\_\_ has applied requires that s/he be able to work closely with people whose lives may be in turmoil and who may not have good judgment at that point in time. Can you think of any reason that \_\_\_\_\_ should not be allowed to do this work?

## **D. Guidelines for Office Decor**

Spaces where Pastoral Relationships occur should be a relaxing and productive setting ready at all times for use for Pastoral Relationships. The following are recommendations that will help create an environment that is peaceful and private while allowing appropriate supervision.

### **Furniture**

Comfortable chairs set at a 45 degree angle from each other create a good area for conversation. Couches and loves seats are discouraged but if they are used Persons Who Have Pastoral Relationships should not sit on them with parishioners or other visitors. Having furniture that allows reclining can leave persons open to false allegations of inappropriate behavior.

### **Artwork**

Artwork should be tasteful without offending the staff or other visitors.

### **Windows**

Windows in walls or doors should be unobstructed by blinds, furniture, curtains, or posters so that the space is always available to casual monitoring. A sense of privacy can be maintained by arranging the furniture so that Persons Who Have Pastoral Relationships are always visible, but the parishioner or visitor does not feel exposed.

### **Entrances**

If the space has a private entrance, and it is used, be sure staff knows when someone is in the space and when it is being used for Pastoral Relationships.

## **E. Guidelines for Providing Counseling**

- Limited number of sessions, generally no more than 4 or 5 on any particular life issue
- Don't go outside your area of expertise. Refer to a psychologist, credentialed professional, medical doctor, or mental health professional.
- Even if you are separately credentialed and/or licensed as a mental health professional (psychologist, marriage and family therapist, substance abuse counselor, etc.) while you are functioning on behalf of the church you should:
  1. Make it clear to those you are serving that you are NOT serving in that role.
  2. If you function in that role while you are also functioning on behalf of the church, you should clearly separate those two roles by where you practice each and clearly communicate to all concerned of when you are functioning in each role.
  3. You must maintain in full force separate professional insurance coverage at all times for any work you do outside your church role. The insurance must have per occurrence limits of at least \$ \_\_\_\_\_ and aggregate limits of at least \$ \_\_\_\_\_, including coverage for Sexual Misconduct, however defined in the policy(s) in with limits of at least \$ \_\_\_\_\_ and name your church employer or church for whom you function in Pastoral Relationships as an additional insured.
  4. You must provide evidence of such insurance to your church employer or church for which you function in Pastoral Relationships annually.

## **F. Code of Conduct for Persons Who Have Pastoral Relationships**

### **Persons Who Have Pastoral Relationships:**

- understand that the church will not tolerate the sexual exploitation of adults it serves.

- agree to maintain clear and appropriate boundaries and avoid even the appearance of impropriety.
- agree to immediately end any sexual or inappropriate relationship with a person with whom he/she has a Pastoral Relationship or when he/she has questions about the implementation of these policies and immediately seek advice from the bishop, a trusted colleague or mental health professional.
- agree to immediately report any inappropriate behaviors, boundary violations or possible policy violations they observe under these policies.

- acknowledge their obligation and responsibility to prevent sexual exploitation of adults and agree to report known or suspected sexual exploitation of adults to church leaders and state authorities in accordance with these policies.

**Persons Who Have Pastoral Relationships are prohibited from:**

- dating or becoming romantically involved with those with whom they have a Pastoral Relationship as long as the Pastoral Relationship continues. [The Policy should go on to state (1) how much time must pass after the Pastoral Relationship has terminated before dating is permitted, if ever, and (2) under what conditions, if any, dating is permitted while there is still a Pastoral Relationship such as between a priest and a parishioner]
- having sexual contact with any person with whom he/she has a Pastoral Relationship
- possessing any sexually oriented materials (magazines, cards, videos, films, clothing etc.) on church property or using such materials in the conduct of their ministry unless the materials are part of a pre-approved educational program or curriculum and are used only for that purpose
