2020 Retiree Annual Enrollment
Health plan information for Episcopal Church retirees

2020 Annual Enrollment is October 14 to December 6, 2019
The Episcopal Church Medical Trust (Medical Trust) is pleased to provide your 2020 Retiree Annual Enrollment (AE) materials. Included are key health plan details, resources, and contact information to help you understand, choose, and make the best use of your healthcare benefits. Please refer to the separate flier for instructions and other important reference information to guide you in the enrollment process.

We recommend that you go to the AE website (annualenrollment.cpg.org) to review your information to ensure that it is current. If you do not plan to change your medical or dental coverage for 2020, you do not need to do anything. Your coverage will remain the same as it was in 2019, subject to the new rates (see page 2).

New Member ID Cards
All members enrolled in a Medical Trust Medicare Supplement Health Plan will receive new ID cards for 2020. The new cards will no longer reference the United-Health Allies discount program, which UnitedHealthcare has discontinued effective with the 2020 program year.
2020 Medicare Supplement Health Plan Highlights
The Medical Trust’s Medicare Supplement Health Plans help you pay many out-of-pocket expenses after Medicare pays its portion. These plans pay a portion of Medicare copayments, coinsurances, and deductibles, and include some services not covered by Medicare, such as hearing-aid reimbursement. Our Medicare Supplement Health Plans also provide prescription drug benefits with no annual benefit maximum, an annual routine physical, vision benefits, disease and case management for chronic and/or serious conditions, plus the benefits listed in the Additional Benefits section on page 3.

The Comprehensive Plan with Prescription Drug Coverage
The Comprehensive Plan offers excellent coverage and is a great value for the rich benefits it provides. It offers solid coverage for a broad range of medical services including physician visits, hospital stays, lab work, outpatient services, prescription drugs, an annual physical, and vision benefits. The Comprehensive Plan’s hearing-aid reimbursement benefit is $1,000 per ear, every five years.

The full cost of this plan is $380 per member/per month.

The Plus Plan with Prescription Drug Coverage
The Plus Plan provides protection similar to the Comprehensive Plan with enhancements such as lower annual out-of-pocket maximums, slightly lower copays for physician office visits and prescription drugs, and lower cost-sharing amounts for the first 60 days of hospitalization. The Plus Plan’s hearing-aid reimbursement benefit is $1,000 per ear, every five years.

The full cost of this plan is $505 per member/per month.

The Premium Plan with Prescription Drug Coverage
The Premium Plan has the same features as the Plus Plan, but richer benefits for physical, occupational, and speech therapy. You pay 0% and the plan pays 100% for these therapies, and continues to pay even after Medicare’s benefit maximum is reached. The Premium Plan reimburses up to $2,000 per ear, every five years, for hearing aids, twice the benefit of the Comprehensive and Plus Plans.

The full cost of this plan is $590 per member/per month.

- Amplifon Hearing Health Care (hearing-aid benefit)
- UnitedHealthcare Global Assistance (emergency assistance while traveling)

Dental Plan Information for 2020
The Medical Trust offers you three dental plan choices through Cigna Dental: Preventive, Basic, and Dental & Orthodontia. Each plan covers three network cleanings per year at no cost to you. Out-of-network cleanings are also covered, but you may have some cost share.²

Cigna’s Total Dental Preferred Provider Organization (DPPO) network includes two types of providers: DPPO Advantage and DPPO. To receive the highest level of benefits, be sure to choose DPPO Advantage providers. While DPPO providers are considered part of the total network and have lower negotiated rates than non-participating providers, the rates they charge — and your resulting cost share — will be higher when using these providers than with DPPO Advantage providers. To locate providers in the Total DPPO network, contact Cigna Dental (see page 4).

² If an out-of-network provider charges more than the amount allowed by your plan, the provider may balance-bill you for the difference.
³ This information is provided as a general overview. Please check the dental plan handbook or call Cigna Dental for a list of covered services. Services provided by DPPO and out-of-network providers are subject to a deductible, and coverage is limited to the maximum reimbursable amount.
